

**AUSLSA MODERN SLAVERY CO-LAB –  
SESSION TWO – 8 JUNE 2023 – 12:15-1:45PM AEST**

---

**THE CHALLENGE OF ASSESSING MODERN SLAVERY RISKS IN SUPPLY CHAINS  
BEYOND YOUR DIRECT SUPPLIERS**

**PROGRAM**

**1. Welcome, Acknowledgment of Country,**

**2. Reminder of Co-Lab Objectives**

**3. The challenge of assessing modern slavery risks in supply chains beyond your direct suppliers**

- Causing, contributing to and being directly linked to human rights risks - the UN Guiding Principles
- Country-level risk, Materials and resources risk, and Sector and industry-level risk
- Common risk factors for modern slavery
- Supply chains with known and emerging modern slavery risks
- Some of the common ways of assessing risks across your supplier base, including audits, verifications and SAQs

**4. Specific risks to AusLSA members and their supply chains, including cleaning, catering, electronics and outsourced services**

**5. Key challenges for assessing, understanding and verifying suppliers**

**6. Electronics Supply Chains**

Joining the meeting as a Guest Speaker will be Julie Petticrew, Australian Representative at Electronics Watch, to talk about:

- Particular human rights and modern slavery risks in electronics supply chains
- Related environmental and social risks in those
- What Electronics Watch is doing
- How businesses (and Australian law firms in particular) can do better, and what they should do differently
- Questions from around the group

## **7. Cleaning Supply Chains**

Also joining the meeting as a Guest Speaker will be Dr Miriam Thompson, Director of Program Development at the Cleaning Accountability Framework, to talk about:

- Particular human rights and modern slavery risks in cleaning and security
- What the Cleaning Accountability Framework is doing
- Case studies of things CAF has found, the most common issues reported or discovered, and how CAF helps change processes
- How businesses (and Australian law firms in particular) can do better, and what they should do differently
- Questions from around the group

\*Also joining the meeting from the Cleaning Accountability Framework to help answer questions will be: Samantha O'Connor, CEO, Dr Jasper Goss, Certification and Compliance Manager and Sonia Favero, Stakeholder Engagement Manager

## **8. How the legal sector can gain further insights into modern slavery risks**

## **9. Priority actions and next steps**

### **Questions and discussion**
